

WHAT DOES THE NEWARK POLICE DEPARTMENT CONSENT DECREE MEAN FOR ME?

Are you interested in finding out more about the annual community survey of all Newark residents taking place in just a few weeks, as well as how you can participate?

Do you have questions about the consent decree entered into between the United States Department of Justice and the City of Newark to reform the Newark Police Department?

Do you want to learn more about the independent monitor and his team?

If so, please join the New Jersey Institute and the Independent Monitor, PETER HARVEY, for an important community conversation about the consent decree and the monitoring team, the opportunity the consent decree presents to transform policing in Newark, and how to lend your voice to the process.
